Alaska Medicaid Provider Update

Provider Self-Audits Due December 31, 2022 November 17, 2022

The Department of Health requires all Medicaid Providers to conduct a self-audit once every two years. The next self-audit cycle will cover calendar year 2019 or 2020 and is due no later than December 31, 2022.

All Providers have the choice to select either calendar year 2019 or 2020 for the review. However, there might be advantages for providers to select 2019 for the self-audit due to potential claims processing implications.

If your self-audit identifies an overpayment, please **DO NOT** submit an adjustment/void forms to Conduent\Optum for processing. Instead, please include a check for the amount of the overpayment made pay to the "State of Alaska". This should be submitted with your self-audit no later than 60 days following submission.
