Alaska Medicaid Provider update
Second issue of the *Alaska Medicaid Newsletter*

Dear Alaska Medicaid Provider,

We are excited to announce that the second issue of the *Alaska Medicaid Newsletter* for participants is here!

The Alaska Division of Behavioral Health and Optum Alaska work together to share important information for Alaska Medicaid Participants about behavioral health topics. This issue of the *Alaska Medicaid Newsletter* offers an introduction to the Optum Alaska Case Management Program, which is designed to support Alaska Medicaid participants transitioning from inpatient or residential care for behavioral health needs. The primary initiative of our program is to link and keep Alaska Medicaid participants engaged with their identified community behavioral health providers. We hope you will share this information with Medicaid participants in your care.

The *Alaska Medicaid Newsletter* can be found on the Optum Alaska website at the following link: [Participant Newsletter \(optum.com\)](#). If you are interested in receiving print copies of the newsletter, or have suggestions for topics, please reach out to a member of our provider relations team at akmedicaid@optum.com.
